Each club member has the opportunity and duty to be the Principal race official once per year. This is a first come first selected opportunity. Turn your request for in to Brad Cole our fearless Chair of the Racing Committee.

You will be supported by the club to make sure you are well supported on your big day. You will have great volunteers to work for you: launch boat, set marks for course, announce the course, start the races, record the times.

Your job as "PRO" is to lead the officiating team. Our Old Timers have done these tasks hundreds of times, and will be with you every step of the way to make this your great day.
